

# This is God Calling Script

## Directions for actors:

1. Speak in your normal tone of voice that you would use on the phone with a friend.
2. The script tells you what to say; the emphasis you put on the words is for you to decide.
3. You may change the words to something you might say as long as you don't change the meaning.

## Script:

**God:** Hey (name of other student). What's up? This is God calling.

**Other Student:** Whoa. God's calling me. That's a surprise.

**God:** What surprise, I call you all the time. This time you answered.

**Other Student:** That's unreal. Why did you call?

**God:** I called to tell you how much I love you.

**Other Student:** I love you too, God. Is that the only reason you called?

**God:** No, I want you to know I'm proud of you for caring for others.

**Other Student:** Stop, God. You are making me blush.

**God:** I also want you to know that I'm not too happy with you for cheating on that test. Don't you know I've chosen you for a special role in life?

**Other Student:** Sorry about that God. What role?

**God:** I can't tell you now, but I'll call you back later with more information. Will you answer the next time I call?

**Other Student:** I'll try. Oh, God. Can you give me a hand with my math test?

**God:** I'll be there with you all the time, but I won't give you the answers. You should have studied.

**Other Student:** Do'h!

**God:** Love you.

**Other Student:** Love you too.

**Both Together:** Bye.
