1. What are three or	four main ideas in y	our section? List thes	e here, using comple	ete sentences.	
	,				
2. How does this sec	ction shed light on the	e nature of marriage	as part of God's plan	?	
				cripture is not directly	quoted or alluded
to, what scripture	e passage might be mo	ost relevant to read of	r study alongside thi	s section: why:	
4. What is one quest	tion you have about the	his section?			

Handout 2-A continued

5. In what ways might the material in this section be of practical help to a married couple? Try to think of a concrete situation in which this material could provide useful guidance or support.
Wait until you are with your new group before completing Part D!
Part D
What is one interesting idea you learned from <i>each</i> member of your new group? (You will have five items listed here, after you have listened to the reports from each of your new group members.)
