## The Promises of Marriage

### Part A

Work with your partner to complete the chart below.

Promise of marriage	Definition/Description	What may make keeping this promise difficult?	What support is available for spouses to help them to keep this promise?	What graces/benefits result when spouses keep this promise? (HINT: Check your textbook, but you might think of others!)
Indissolubility				
Faithfulness				
Fruitfulness				

### Part B

List at least two questions that you and/or your partner have about any or all of these promises of marriage. These may be factual questions (such as further clarifying the meaning of a word) or deeper, more profound questions about marriage.
